CO-CURRICULAR PROGRAMME

SUMMER TERM 2026

Not just an added extra on the school day, but a vital component of an all-round education, co-curricular activities are character-enhancing and provide life-long skills. Our co-curricular programme is centred around the five disciplines listed below, but the value of the activities that form the wider programme over the page cannot be understated. Get involved and see what you are capable of!

COMBINED CADET FORCE (CCF)

Whichever Service section you join (Royal Navy, Royal Marines, Army or Royal Air Force), you will quickly build important skills like teamwork, confidence and self-discipline, as well as having the opportunity to take on leadership roles. **CCF.org**

DRAMA

Drama engenders joy, enthusiasm and a sense of achievement in students, it really should blossom because there's nothing like it. **The Guardian**

DUKE OF EDINBURGH AWARD (D of E)

To provide an introduction to worthwhile leisure activities and voluntary service, as a challenge to the individual to discover the satisfaction of achievement.
HRH The Duke of Edinburgh, Founder of the Award

MUSIC

When young people make music together, they work toward a common goal that has the potential to change lives profoundly for the better. **DCMS**

SPORT

Sports participation in school is associated with higher levels of wellbeing for young people. It also shows that participation in sport is a significant predictor of self-belief and mental toughness and the continued promotion of school sport throughout a child's time at school, up to and including during exams, should be encouraged.
